This Sunday at Berea First Baptist Church

Encounter Service, 8:15am
 Cornerstone Service, 10:30am
 Message by Dr. Chad Rickenbaker

Encounter Service returns this Sunday! After combining services for the month of July we will resume our regular Sunday morning schedule. The Encounter service begins at 8:15, Sunday School at 9:30, and Cornerstone service at 10:30.

Let's work together to fill both services. Our Lord is worthy to be worshipped and we need the encouragement of being together with other believers. We also need the instruction of God's Word for our daily lives. So, make a commitment to being here and invite as many people as possible to join us!

6:00pm
 Evening Service - Report from Youth Mission Trip to New Orleans

Church Music Associate

We would like to express our appreciation to Ben Miller for his service to our church. Ben concluded his time with us on July 31. If you would like to send a note of appreciation his address is 116 South Folkshire Ct., Greenville, SC 29611.

Wednesday Night Activities

Begin August 24
 Supper * Choirs * Mission Friends * R.A.'s * G.A.'s

Connection Team

In the coming weeks we are going to develop a Connections Ministry Team. The purpose of this team will be helping guests and new members get connected to our church. The team will introduce guests and new members to the ministries and schedule of our church, as well as finding a Sunday School class, identifying potential areas of service and ministry, and developing new friendships within the church body.

If you would like to be a part of this important new Ministry Team, please let Chad know by emailing him or calling the church office.

Life Line

Health Screening

Tuesday, September 13
Senior Adult Building

Life Line Screening, a leading provider of community-based preventive health screenings, is pleased to offer a preventive health event at Berea First Baptist Church on 9/13/2016. Five screenings will be offered that scan for potential health problems related to: blocked arteries which is a leading cause of stroke; abdominal aortic aneurysms which can lead to a ruptured aorta; hardening of the arteries in the legs which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. **In order to register for this event and to receive a \$10 discount off any package priced above \$129, please call 1-888-653-6441 or visit www.lifelinescreening.com/community-partners.**
