

## NEW SERMON SERIES

### There is Help:

### The Holy Spirit Has Come

We need help. I wonder if in the privacy of this moment you would silently confess to God that you need help. Fight back the pride just long enough to be transparent with the Lord. The truth be told we all need help. Life is filled with obstacles and opportunities. There have probably been times in all of our lives when we thought, "If only Jesus were here He would help me."

Well I have great news! When He ascended into heaven after His resurrection He sent the Holy Spirit to live inside of every believer. He promised His disciples that when He returned to the Father that He would send the Helper. The Helper Jesus was referring to is the Holy Spirit.

The Holy Spirit has come to help us! He helps us with assurance in times of doubt, guidance into God's will when we are uncertain, gifts for effective service to the Lord when we feel like we don't have anything to offer, courage to overcome our fears, effective praying when we don't know what to say, and in many other ways. Yet, if we are not familiar with the Holy Spirit and His work in our lives we will miss out on much of what God wants us to experience as we follow Jesus.

I invite you to join us this Sunday as we begin this new message series!

For Him,  
Chad

## New Music Associate/Accompanist, Gwen Starling

We are excited to announce the addition of new Music Associate/Accompanist, Gwen Starling to the BFBC family. We know that the Lord has directed Gwen and her family to become a part of this church and community as she desires to serve Him. She has a clear calling to ministry and a desire to point others to the Lord through Music & Worship. She will begin serving at BFBC on May 1st.

As a Charleston, S.C. native, Gwen has been involved in Christian ministry and music education for over 20 years. At the age of six, she dedicated her life to Christ - a decision that guided her early years as a musician. By middle school, she had begun accompanying church services, having studied piano privately from the age of eight.

Gwen holds a Music Education degree from Winthrop University with a concentration in choral music and applied piano and vocal studies. In addition, she earned a Master of Music degree in vocal performance from Converse College.

A versatile musician, Starling has served as Director of Music Ministries in churches throughout South Carolina, North Carolina and Virginia. She has also worked at the collegiate level teaching church music courses, directing college choirs and off-campus music ministry teams.

Over the past nine years, Gwen has also been an active music director and conductor in the greater Greenville area. In 2010, she founded the Fountain Inn Symphony Orchestra where she was later selected as a Fellow for the Conductor's Institute at the University of South Carolina School of Music. She has served as music director and conductor for over 20 main stage musicals for community theater and churches (in Fountain Inn, Greenville, Greer and Landrum). Of all her musical opportunities, Gwen most enjoys sharing her accompanying gifts in ministry and collaborating with others in worship.

Will you pray for America? Will you aim to engage in focused, intentional prayer on behalf of our country and our leaders?

As we pray for our leaders with humility, our hearts are softened, and we realize that they need God's grace just as we do. As we pray for our nation with hope, we are encouraged knowing that it is ultimately in the hands of our Father—

God Almighty is His name!

**WILL YOU COMMIT TO PRAY?  
IT BEGINS WITH YOU!**
