Continued Prayers and Support for the Berryhill Family

We are most like Christ as a church family when we love, pray, and care for one another. Right now one of our young families is going through a great trial. As you know Josh and Erin Berryhill's little three week old daughter, Braelyn, is very sick. She was transported to Emory Hospital on Monday evening. We want to continue to support this family with our prayers and any other assistance possible. Duncan Chapel Fire Department, where Josh works, is accepting financial donations on their behalf. In addition to the money that is given through the Fire Department, a gift from BFBC is also being sent. This gift from our church is being sent as an expression of our continued love and support for this family. Let's be faithful in our prayers for baby Braelyn, Erin, and Josh. Also, remember the grandparents Mike and Becky Nix and Marvin and Deb Berryhill.
