The Living Cross

Remember to bring flowers (real or silk) to church on this Sunday and cover the cross with life and beauty. This is a beautiful act of celebration to share with our children. The Living Cross is a beautiful background for an Easter family picture.

Nicaragua Mission Trip

Pray for our team of 12 from BFBC who will be serving in Nicaragua March 31 through April 7. Our trip will include door-to-door evangelism, construction, adult discipleship, and backyard Bible club. Please pray specifically for each of these areas of serving as we seek to share the Gospel clearly. Pray that there will be individuals who trust in Christ through this trip. Thank you for allowing our church to be on mission in Nicaragua!

Church Conference

Sunday, April 8
Vote on 2018 Committees

It never ceases to amaze me how God raises up leaders to make events like DNOW possible. From speakers and band to host home and small group leaders, from store volunteers to meal pick-up and preparation, from lights/tech/sound to photography and video, from check-in to transportation and more, we are beyond blessed at Berea to have so many highly talented people make themselves available to serve students. But the thing I was blown away by the most this year was how invested our leaders were not only in executing the weekend with excellence but also (and most importantly) in recognizing the eternal significance of what they were doing. All weekend long, I watched leaders cry out to God on behalf of this generation, joyfully become “undignified” and get out of their comfort zone, enthusiastically serve even in the most menial tasks — and above all, love students well and keep the gospel central.

Leaders, God worked this weekend because He was at work in you. My eyes well up with tears over how God placed you at Berea for DNOW 2018. Thank you for the way you stepped up and stepped out this year—and for being obedient to God’s call to “declare His power to the next generation” (Psalm 71:18). It takes a special kind of person to flow with the “organized chaos” of student ministry — and you did it with such joy and grace. We love you and are so grateful for each of you. Thanks for “pressing onward” with us! And thank you, Church, for all you do to invest in this generation; your love, support, and prayers for our students are what makes all of this possible. To God be the glory.
