Week(s) I plan to be a counselor () Junior Week June 16th () Senior Week June 23rd

Please Note: For our youth who would like to be a counselor, we do require that you attend your week of camp as a camper. And depending on our numbers, not every youth that registers is guaranteed to go but we hope that we can take you.

Do you know anyone who is 100% sure is going with us but can't register tonight?
